OFFICE OF RESEARCH AND DEVELOPMENT

GENERAL NOTICE NO. 1

29 April 1965

On 1 June 1965 ORD will start publishing resumes of reports received from contractors, and technical descriptions of hardware produced on R&D contracts. These reports, multilithed and bound under a distinctive ORD cover, will be distributed to the Deputy Director and to those components of the Agency who may have an interest, and a need, for the information.

Drafts of the material to be included in the reports will be submitted by the Project Officers to the Admin Officer according to the attached format. These drafts will be prepared, immediately the contractors reports become available.

In order to facilitate preparation of the first issue, 14 May has been set as the deadline for submission of resumes of reports received during the past six months.
